RE: Sepulveda Transit Corridor Project

Dear Chair Hahn and Board Members,

On behalf of the Los Angeles County Business Federation, a grassroots alliance of 240 business organizations representing 420,000 employers with 5 million employees across Southern California, we are writing to express our strong support for the Sepulveda Transit Corridor (STC) Project goals of the STC4All Coalition that include a direct, on-campus station at the University of California, Los Angeles (UCLA) and a seamless connection to the Metro Purple (D) Line in Westwood Village.

We urge Metro to select an alternative that maximizes equity and ensures accessibility to UCLA. Metro's ridership projections clearly show that the alternatives with the highest use include a direct stop at the UCLA campus and seamless connection to the D line. A UCLA station is projected to be the busiest non-transfer station in Metro's network when it opens. To motivate people to consider using public transit instead of their vehicles, the future STC needs to go directly to the destinations where the overwhelming majority of people are heading while limiting transfers.

Selecting an alternative that includes an on-campus station at UCLA and a seamless connection to the D Line is key to ensuring Metro can achieve all the goals of the Sepulveda Transit Corridor. Additionally, an on-campus station will provide access to education, employment, health services and cultural attractions. The ridership projections of approximately 120,000 boardings per day for several of the alternatives demonstrate this is a project with the potential to transform our region by providing fast and reliable transportation for Angelenos and visitors.

The alternatives including an on-campus station at UCLA will provide what our region desperately needs – effective and accessible public transit in one of the most congested corridors in the nation.

Thank you for your consideration. If you have any questions, please don't hesitate to contact our Director of Advocacy Chris Wilson at (562) 201-6034 or chris.wilson@bizfed.org

Fran Inman
